45 Master Characters: Mythic Models for Creating Original ...

Without a doubt, Victoria Schmidt's revised edition of "45 Master Characters" is the best character reference guide I own. Not only does the book go into depth about the different archetypes like it promises, the book also gives you access to an additional 46th character you can download off of the Writer's Digest website, and it also has a chapter on creating plots. The book is divided as
