A Madness of Angels Claire North and Kate Griffin Enter a London where beings of power soar with the pigeons and scabble with the rats, and seek insight in the half-whispered madness of the blue electric angels. Enter the London of Matthew Swift, where rival sorcerers, hidden in plain sight, do battle for the very soul of the city A Madness of Angels (Matthew Swift, #1) by Kate Griffin

With A Madness Of Angels Griffin consciously throws those rules out, she creates her own urban magic background with London as a background, which she brings to life with a dense, energetic prose. At first I had my dou To a degree this was a book I had been looking for.

Magic works a bit differently in A Madness of Angels than in a lot of other contemporary fantasies tell us a little about urban magic. Magic good old fashioned, elves and dwarves stuff seems to be about the mystical intonation of dead languages and invocation of ancient spirits full of unknowable wisdom.

I read Madness of Angels having first read Kate Griffin's spin-off series *Magicals Anonymous* which, chronologically at least, is the wrong order. I didn't feel this diminished my enjoyment of the book and my curiosity about Matthew Swift's backstory was probably greater having seen him in *Stray Souls* and *The Glass God*. I also enjoyed spotting a few characters from the later books making an
