Democratic Governance and Non-State Actors | A. Gardner ...

"Anne-Marie Gardner highlights the oft neglected struggles of sub-state actors to achieve international legitimacy. While the United States remains the global hegemon, Gardner demonstrates why and how sub-state claimants to recognition by the international community must prove their commitment to human rights, democratic governance, rule of law

Democratic Governance and Self-Determination | SpringerLink

Abstract. The model developed in this chapter explores when and how the international community applies standards of liberal-democratic governance to non-state actors, in particular groups advancing self-determination claims. | A new emphasis among academic and policy-making circles in international relations links governance with international

Democratic governance and non-state actors ... -

**LIBRIS**

This book investigates whether international standards of good governance are applied to sub-state actors as well as to states. By examining the international response to self-determination claims, this project demonstrates that the international community does indeed hold sub-state groups accountable to such standards.
