Chapter 1

Chapter 1 THE NATURE OF CURRICULUM 3 The intent of this introductory chapter is essentially to provide the reader with a general overview of the curriculum field and a set of concepts for analyzing that field.

Narrative Case Study Directions - Laurel and Associates

Narrative Case Study Directions A narrative case study is a story of a real life problem or situation that provides sufficient background data so that the problem can be analyzed and solved. A good case study is written in the form of a story. It has a problem for the readers to solve. It has characters who have names and use authentic dialogue. It is descriptive, with realistic
