"Extremes" is written such that people without a knowledge of anatomy or medicine can fully appreciate how extraordinary we are, with delicately unravelled case studies explaining the limits of our physiology. By relating some of the experiences Dr. Fong had as a junior doctor and throughout his career, there is an added personal touch to the stories, which reveal his genuine passion for

Extremes - Kevin Fong

Pioneering medical scientist Dr Kevin Fong shows how our exploration of the physical world has run in parallel with advances in our understanding of the human body's capacities and limits.

Extremes by Kevin Fong

Dr Fong is a well liked and respected TV celebrity in Britain and I enjoyed his Extremes. It's a personal account well written and presented. He highlights just what the body can stand and how the advancement of medical procedures in the last 100 years have saved and improved lives.
