While much attention has been paid to the making of Paris

in the work of writers and artists, little is known about the city as defined and created by the fashion media. Filling this gap in studies of the French capital, this original and illuminating book focuses on how the French fashion press **Fashioning the City: Paris, Fashion and the Media - Agnes ...**

The fashion media have been central to the consecration of the city of Paris on the fashion map, as well as its celebration in the collective imagination. Indeed, with its conjunction of images and words, the fashion press constitutes a rich platform for an interrogation of how Paris has come to be constituted as a leading fashion city.
