Formulas, Ingredients and Production of Cosmetics ...  
Today, young cosmetics researchers who have completed  
their graduate studies and have entered a cosmetics  
company are put through several years of training before  
they become qualified to design cosmetics formulations  
themselves. They are trained so that they can design  
formulas not by a process of logic but by heart, like  
craftsmen, chefs, or carpenters. This kind of training seems  
a terrible waste of labor and time. To address this issue and  
allow young scientists to design novel cosmetics
