"Hitler's Angel" by Kris Rusch is a powerful and compelling read with a great story. A journalist visits a retired Detective in Munich to interview him about a high profile case of 1929 but instead the man talks about a different investigation concerning Hitler's niece and the cover up that followed her death.

The premise behind HITLER'S ANGEL is quite clever (a real case from the 1930's) and the use of flashbacks works exceedingly well. Fritz, who tells the entire story, is a great senior citizen, who seems grandfatherly and wise. However, Annie is not well-developed and Fritz's apartment seems lacking as a backdrop with Munich preparing for the Olympics just outside the building. Kris Rusch shows

The mystery imprint of Delos Books has just published my novel *Hitler's Angel* in Italian. The book had a strange run in the U.S., which resulted in a tiny edition, almost a limited edition. It'll reappear in English, in my preferred version, from the British publisher MaXcrime in June. In the meantime, enjoy the lovely Italian cover.
