Imperial Assassin (Imperial Trilogy, #2) by Mark Robson

A really good sequel to Imperial Spy! What I love about Mark Robson's series is the fact the story is seen by many different perspectives. It means you have to pay attention when reading but the story gains another dimension.

Imperial Assassin by Mark Robson - The Bookbag

intelligent approach to his medieval world of political
shenanigans and murderous skulduggery, is here very
strong indeed in getting into the trainee assassin's mind,
only once falling into a showy mannerism.
