[Laboring on: Birth in Transition in the United States ...](#)  
Laboring On offers the voices of all of these practitioners, all women trying to help women, as they struggle with this increasingly split vision of birth. Updating Barbara Katz Rothman's now-classic *In Labor*, the first feminist sociological analysis of birth in the United States, *Laboring On* gives a comprehensive picture of the ever-changing American birth practices and often conflicting

[Laboring On: Birth in Transition in the United States ...](#)  
Updating Barbara Katz Rothman's now-classic *In Labor*, the first feminist sociological analysis of birth in the United States, *Laboring On* gives a comprehensive picture of the ever-changing American birth practices and often conflicting visions of birth practitioners. The authors deftly weave compelling accounts of birth work, by midwives, doulas, obstetricians, and nurses, into the larger

**In Labor: Women and Power in the Birthplace by Barbara ...**

A comprehensive introductory work on the medicalization of childbirth in America, Rothman occasionally overstates her case, but she convincingly argues that hospital births in the U.S. are characterized by over-medicalization, routine and unnecessary technological interventions, inadequate attention to and support for the laboring mother, and a

**Barbara Katz Rothman**

- Barbara Katz Rothman, My Finnish Fulbright Fantasy. I am the very honored recipient of the Fulbright-Saastamoinen Foundation Distinguished Chair in Health Sciences 2018-2019. This Fulbright, as a Distinguished Chair, differs from most -- it is for two separate month-long trips. My host, Prof. Ipo Helen of the University of Eastern Finland, and I agreed that a pre-visit would be helpful.
