Niche | James Harkin

Niche: Niche is about the missing middle of contemporary business, culture, media and life and what comes after. With case-studies drawn from retail, manufacturing, culture, media and politics, the book argues that it usually pays to forget about the general audience and instead stake out an identifiable niche.

Niche - James Harkin - John Kay

James Harkin, who describes himself as a social forecaster, is a frequent contributor to the Financial Times. So, as you would expect, he writes well, displays keen intelligence, and wears lightly a wide range of expertise.

Niche: Why the Market No Longer Favours the Mainstream by James Harkin Little, Brown, 13.99, Pp 250
I once tried to buy a shirt at Abercrombie & Fitch. It was clear they did not want to sell me anything. I could handle the loud music, but the staff's dismay at having to deal with anybody more than a decade or so away from bouncy castles
