Social Justice is a concept familiar to most Indians but one whose meaning is not always understood as it signifies a variety of government strategies designed to enhance opportunities for underprivileged groups.

[Annual Report On Equality And Non Discrimination](#) Substantive equality and non-discrimination law in theory and in practice is considered critically, from a broad historical and social context that highlights areas of race, gender, disability, harassment and hate speech, socio-economic rights, and legal services. International human rights law and comparative law aspects are skillfully interwoven in this pioneering scholarly work.
