The restless King Oliver VII of Alturia, an obscure Central European state whose only notable exports are wine and sardines, wants nothing more than an easy life: so, plotting a coup against himself, King Oliver VII escapes to Venice in search of real experience.

Oliver VII (Antal Szerb) - book review

A far cry from Szerb's other novels, Oliver VII is a light-hearted romp, never far from slapstick. It centres on the politics of an imaginary Eastern European "Alturia", whose only exports are wine and sardines, and the travails of its king.
