"Risse's On Global Justice is a definitive account of justice as a responsibility extending beyond national borders and international institutions to encompass all human life through shared experience and common humanity. . . .

(PDF) "On Global Justice" , by Mathias Risse - ResearchGate

of global justice Risse calls it pluralist internationalism which is both thoughtful and, at least in its basic tenets, plausible. Risse's book is no easy read.

On Global Justice ebook by Mathias Risse - Rakuten Kobo

On Global Justice shifts the terms of this debate and shows how both views are unsatisfactory. Stressing humanity's collective ownership of the earth, Mathias Risse offers a new theory of global distributive justice--what he calls pluralist internationalism--where in different contexts, different principles of justice apply.
