Power and Authority in British Universities. Moodie, Graeme C.; Eustace, Rowland. An extensive project involving formal and informal interviews and examination of university documents revealed that the governance of British universities does not coincide with any single stereotype.

**Power & Authority in British Universities | Taylor ...**

Their findings are written up in the language of politics in terms of power, authority, influence, regulation and decision making. The result is thus of value both to those with a practical interest in universities and to those with a more theoretical interest in politics or organisational behaviour.
