Revolver is the second book I've read by Marcus Sedgwick - the other being *Midwinterblood* - and I have to say that both his novels have managed to impress and surprise me. If I'm being honest, they just never really sounded that appealing to me, despite the fact that I've been told by numerous people to give his books a try.

If so, Marcus Sedgwick has missed a trick with *Revolver*, longlisted for the Guardian children's fiction prize, which must be the snowiest, iciest young adult novel you are ever likely to read.

[Book Review: Revolver by Marcus Sedgwick](#)

There is no wasted moment in *Revolver*: the memory of the day long gone when a boy shoots a gun is as important

as the small detail of a father's oily hair. The storytelling is brilliant not only in that way but also how it combines past and present and how the characters are characters are utterly clever in a way that is never clearly announced to the reader.
