Michael Confino, *Russia before the Radiant Future* ...  
Confino suggests that, in fact, before 1917, political  
assassination was more frequently found in other European  
countries and was never unique to Russia. Likewise in his  
discussion of the roots of Soviet totalitarianism, the author  
rejects the notion that Russia's political culture somehow  
set it apart from the rest of Europe and predetermined its  
future. Totalitarianism insofar as the

Essays examine themes in the history of imperial Russia and historical writing, raising questions about current scholarship on Russian history before the 1917 Revolution.

**Russia Before The 'Radiant Future': Essays in Modern**

...

Around 1900 many Russians believed that a radiant future would begin after an epoch-making change in Old Russia's life, a change that would bring an end to the accursed Russian reality, in Vissarion Belinskii's memorable words. For some thinkers and observers this change should have happened after a populist, or a socialist, or a democratic revolution.
