What is the Difference Between Sweet and Savory?

Sweet, the other half of the sweet and savory duo, is produced by sugar. This may come from the natural sugar in fruit, or it may take the form of chocolate or other candy flavors. Most people have an affinity for all things sweet, and all have their personal preferences.

Amy Felder | Johnson & Wales University

My love is for plated desserts and I published a book, Savory Sweets, which details ways in which flavor can be built in plated desserts through the use of savory components. I have spoken at many national conferences about how to analyze flavor and how to develop levels of flavor in plated desserts.
