Sex, Culture, and Modernity in China: Medical Science and ...

With the disintegration of Confucian cosmology after the fall of the imperial system in China, medical science was introduced as an epistemological foundation for social order. The construction of sexuality as a dangerous drive which was thought to form the very core of the individual led to the emergence of a wide range of identities like the menstruating girl, the hysterical housewife, the masturbating adolescent and the syphilitic husband. The naturalization of desire also introduced a

Sex, Culture and Modernity in Modern China | Hurst Publishers

Sex, Culture and Society in Modern China is based on an analysis of both medical and lay texts such as handbooks, marriage guides, and introductions to physiology and sexual hygiene. Texts of scientific popularization are examined in detail, since they provide valuable information on how scientific ideas were re-interpreted and integrated into an indigenous conceptual framework that was marked
