Steel Drums and Steelbands : Angela Smith : 9781442231153

Steel Drums and Steelbands: A History is a vivid account of the events that led to the "accidental" invention of the steel drum: the only acoustic musical instrument invented in the 20th century. Angela Smith walks readers through the evolution of the steel drum from an object of scorn and tool of violence to one of the most studied, performed, and appreciated musical instruments today. Smith

**History of Steel Drums in Trinidad**

The Steel Drum, or Pan, is a very unique instrument and one of the most recently invented. It is a skillfully hammered 55-gallon oil drum which is carefully tuned to produce exact tones. Each Pan or Set of Pans carries the full chromatic range of notes and can produce just about any type of music that comes to mind.
