Miranda Vickers's "The Albanians," is one of three novels written by Vickers about the Balkan region, specifically Albania and Kosovo. I first read this book about four years ago for a class on East European history and politics.

The Albanians: A Modern History by Miranda Vickers ...

Miranda Vickers traces the history of the Albanian people from the Ottoman period to the formation of the Albanian Communist Party. She considers the charismatic leadership of Enver Hoxha; Albania's relationship with Tito and the alliance with the Soviet Union and then China; and the long period of isolation. Newly revised for this paperback edition, *The Albanians* considers the gradual process
