[The Asia-Pacific, Regionalism and the Global System ...](#)  
Dent and Dosch have put together a superb volume that explores new dimensions of the world events for the past five decades and take decrypting the processes of regionalism, global system, and world society to a new height. The contributors have enhanced our understanding of how regionalism has been changing, when a world society will be created, and why East Asia's centrality matters in this unfolding drama. Policymakers, academics, and mass media opinion makers will find the book useful
