The Big Necessity, Rose George's perfectly disquieting new book, is very good With wit, narrative skill, and

compassion, it allows us to examine a major international public health nuisance. That's not to say that the book is all gloom and doom or a ponderous drag. In fact, it's a breeze. Ms. George is a lucid, supple writer, and approaching the subject as a journalist, she's able to

December 2008 Richard Wirrick nonfiction The Big Necessity: The Unmentionable World of Human Waste and Why It Matters by Rose George. My 14-year-old son is now old enough to watch his four-year-old sister in the car while I run into the store for a bag of groceries.

The Big Necessity: The Unmentionable World of Human Waste ...

The big necessity is about the behind the doors human waste. The one which humans never fail to deliver incessantly day in and day out. But where does it go? Suffice to say neither developed countries nor underdeveloped countries are sure where and into what it goes or should go. As George deftly explains hu
