The Guest House by Erika Marks I first wanted to read this book after listening to Erika and other authors talk in a Writerspace chat about their latest releases. Love having the book in my hand-even feels like the canvas that covered the old wooden sling chairs at my grandparents beach house around Sachasett Point back in the 60's. This book is about a house on Cape Cod and we learn that Mr. [The guest house : Marks, Erika. : Large Print Book ...](#) When renovations at the Moss guest house reveal a forty-six-year-old declaration of love carved into a piece of framing, a startling truth will force two women and the men who love them to confront the treacherous waters of their pasts.
