Realistic, engrossing, and adventurous, The Hammer and The Cross is by far the best series I have ever read. Harrison has outdone himself with this book and the two that follow. There were fingernail marks in the book when I was done. Whether your interest is Norse Mythology or Alternate History you are guaranteed to be thrilled!

Harrison

Harry Harrison's Hammer and Cross trilogy is a rollicking adventure story, but underlying its tale is a profound consideration of intellectual and social stagnancy of medieval Europe in the 9th century and consideration of its cause, the pervasive influence of Christianity and the Catholic Church.
