"In *The Invention of Market Freedom*, Eric MacGilvray skillfully grapples with the republican tradition, deploying an innovative problem-centered approach to make sense of its ambiguity and diversity. MacGilvray locates the origins of market freedom - a concept at the center of a rival ideological tradition - in the 18th century synthesis of commercial republicanism and the natural juristic tradition. Carefully tracing the processes by which market freedom became dominant after its invention.

The Invention of Market Freedom eBook by Eric MacGilvray ...

In *The Invention of Market Freedom*, Eric MacGilvray addresses these questions by contrasting the market conception of freedom with the republican view that it displaced. After analyzing the ethical core and exploring the conceptual complexity of republican freedom, MacGilvray shows how this way of thinking was confronted with, altered in response to, and finally overcome by the rise of modern
