[Social Issues in Today's Society - opinionfront.com](#)

In the current economic recession, according to the United States Department of Labor, the unemployment rate has gone up to 9.60 percent, as of September 2010. On an average, the unemployment in America has remained 5.70% from 1948 to 2010. Thus, there has been a considerable increase in unemployment in recent months, making it one of the burning social issues today.
