UNDERSTANDING TRUSTS 2 different parties. First, there s the settlor of the trust. This is the person who sets up the trust and contributes assets to it. The settlor also sets out instructions on how the assets are to be used or managed and who will benefit from the assets. These instructions are known as the trust agreement. The transfer of assets to the trust is known as the trust

### **Trusts Lawyer in Toronto | Trust Administration & Variation**

Trusts are advisable for many individuals, for a wide variety of reasons. Whether a client is looking to determine long-term control over complex assets, arrange for the care of vulnerable family members in the event of the caregiver's death or incapacity, reduce income tax liabilities, or minimize or avoid probate fees, trusts can be of great value.
