Here is a quiz. What is your idea of the perfect sports-watching experience: a) watching your team crush its rival in a one-sided, humiliating contest, or b) watching two top-quality opponents, neither of which you support, in an epic, closely fought match, highlighted by brilliant individual performances?

Watching Sport: Aesthetics, Ethics and Emotion by Stephen ...

While philosophy of sport has tended to focus on the participator, the majority of people actually experience sport as a spectator. Stephen Mumford here considers the philosophical import of watching sport, suggesting that far from being passive it is an aesthetic, a moral and an emotional experience for spectators.

Do we watch sport for pure dumb entertainment? While some people might do so, Stephen Mumford argues that it can be watched in other ways. Sport can be both a subject of high aesthetic values and a valid source for our moral education. The philosophy of sport has tended to focus on participation, but this book instead examines the philosophical issues around watching sport. Far from being

a passive experience, we can all shape the way that we see sport.
