International Meeting on Indigenous Child Health ...

International Meeting on Indigenous Child Health
Designed for community members, researchers, academics, and clinicians, the International Meeting on Indigenous Child Health is only conference dedicated to the health and well-being of First Nations, Inuit, Métis, American Indian, Alaska Native and other Indigenous children and youth in North America and around the world.

International Journal of Pediatrics & Child Care

International Journal of Pediatrics & Child Care is an international forum that provides open access to peer-reviewed scientific articles on issues related to child care. It not only addresses health related issues (disease, infection, genetic disorder, growth impairment etc.), but also aims to cover topics related to the physical, emotional, and social well-being, of children. Child

American Academy of Pediatrics links global warming to the ...

WASHINGTON, D.C. Today, the American Academy of Pediatrics (AAP) released a policy statement that links climate change with the health of children, urging pediatricians and politicians to work together to solve this crisis and protect children from climate-related threats including natural disasters, heat stress, lower air quality

American Academy of Pediatrics. Community pediatrics ...

The American Academy of Pediatrics (AAP) offers a definition of community pediatrics to remind all pediatricians, pediatric medical subspecialists, and pediatric surgical specialists alike of the profound importance of the community dimension in pediatric practice. Community pediatrics is the practice of promoting and integrating the positive social, cultural, and environmental influences on

International Child Health Elective for Pediatric Residents

The North American Association of Pediatric Program Directors included the commitment to improve global

health education in its recent strategic plan and in North America, a model curriculum in global health for pediatric residents has been proposed and implemented.
